

OAA scheme of work

Key stage 2

During this seven weeks' programme of OAA we will be looking at:

1. How to solve a problem as a team.
2. How to solve a problem as an individual.
3. How working as a team can benefit you when faced with a hard task to solve.
4. How to work together when some of you team mates have lost one of their senses.
5. How to communicate without using words.
6. To respect each other's ideas and opinions.
