CHRISTIAN DISTINCTIVENESS

MESSAGES

Welcome to the latest edition of our Christian Distinctiveness newsletter.

This week in our assemblies, the children have continued to explore our current Christian value of Friendship. Together, we have reflected on the importance of showing respect and tolerance towards everyone, celebrating the diversity and inclusivity that make our school community so special. The children shared thoughtful ideas about how small acts of kindness can make a big difference to others.

As we approach Harvest, we have been thinking about the many gifts God provides for all communities across the world and how we can respond with gratitude and generosity. We are very much looking forward to celebrating Harvest soon.

Today, on World Mental Health Day, we also took time to consider how we can look after our own mental health and wellbeing. The children reflected on how developing a growth mindset can help us to face challenges with courage, resilience, and hope.

Have a lovely weekend.

Friday 17th October 2025

Next Friday, we'll be taking part in **Show Racism the Red Card Day** to stand together against racism and promote equality and respect.

Children and staff are invited to wear something red to school to show their support.

We'll be talking about kindness, fairness, and the importance of celebrating our differences throughout the day.

If you'd like to make a donation to support this important cause, you can do so on the official Show Racism the Red Card page by clicking **HERE**.

Thank you for helping us make a difference!

Faith

Thank you for the food we eat...

Harvest is a special time of year when we pause to thank God for the many gifts we receive from creation. It reminds us to be grateful for what we have and to think about how we can share with others.

In school, we reflect on Bible passages such as Psalm 104, which speaks of God's provision through the earth, plants, and animals, and 2 Corinthians 9:10-11, where Paul encourages generosity and thanksgiving.

These readings help us see Harvest as a time to recognise God's abundance and respond with open hearts.

As a school community, we celebrate Harvest as a time to come together, give thanks, and remember that all we have comes from God.

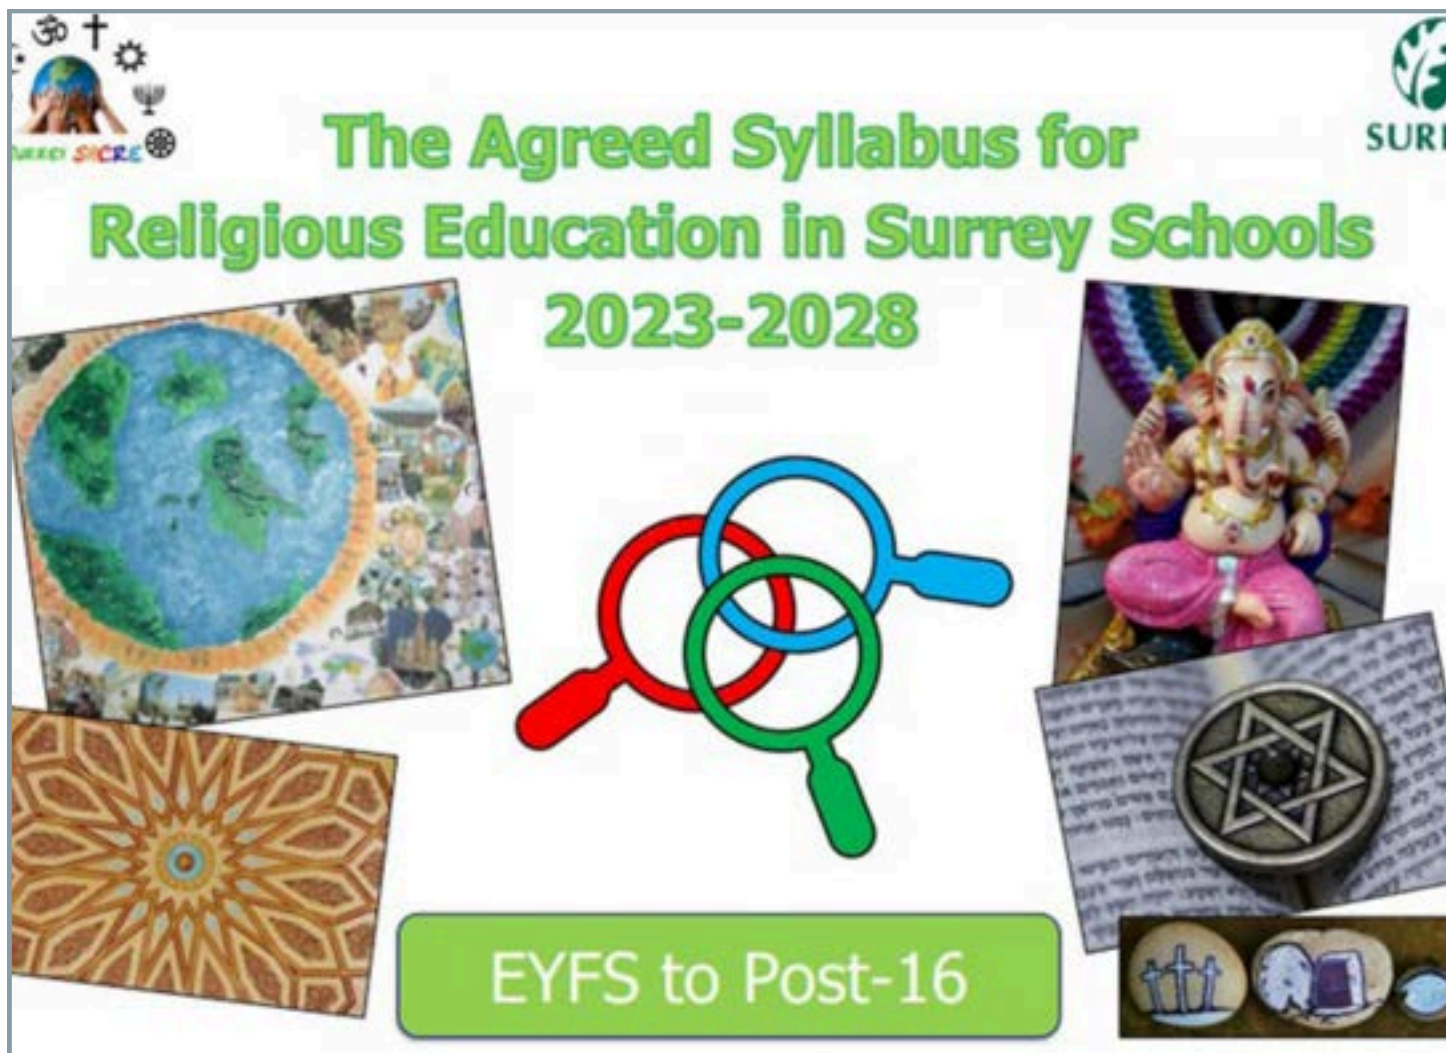

CRANLEIGH BAPTIST CHURCH

A message from Local Committee Member,
Mike Tomlinson

We're delighted to invite the Cranleigh community to two upcoming events: a **Light Party** on 31st October, followed by an evening with MP and former Liberal Democrat leader, **Tim Farron** on 18th November.

You'll find the fliers for both events at the back of this newsletter.

Our R.E. Curriculum

The Surrey Agreed Syllabus for Religious Education was approved and adopted by Surrey County Council in May 2023, for use in Surrey's schools from 1st September 2023. A gentle reminder that this is the syllabus we teach at Cranleigh.

The syllabus has been constructed to help schools to sequence their RE curriculum in a way that is coherent, utilises multi-disciplinary skills and builds pupils' schemata, from Reception through to high school.

In addition, the syllabus helps pupils to understand their own and others' worldviews, religious and non-religious, and appreciate the influences of these on everyday life.

The syllabus supports the recommendations of Ofsted's RE Research Review.

The Surrey Agreed Syllabus can be accessed [HERE](#).

THIS WEEK AT CRANLEIGH

Last week, we were pleased to once more welcome the police to school over lunchtime. They chatted with the children about the important ways the police help in our community and answered lots of great questions. The children really enjoyed their visit!

This week at Cranleigh

Last week saw another fantastic Hot Chocolate Party to celebrate all the children who remembered to use punctuation in their writing! The music was up loud, there were lots of smiles all round, and everyone had a brilliant time enjoying their well-earned treat.
