As we hop into the Easter season, we'd like to wish all our pupils, families, and staff a wonderful and refreshing break.

We are so proud of everything the children have achieved this term. Their hard work, kindness, and enthusiasm continue to make our school a special place.

We hope the holiday brings you moments of rest, laughter, and time spent with the people you care about. Whether you're enjoying an Easter egg hunt, spring walks, or simply relaxing at home, we wish you a safe and Happy Easter.

Have a lovely Easter break, and we look forward to welcoming everyone back soon!

On Monday, we had a visitor come and do an Easter assembly. Our visitor challenged the whole school to nominate **one** person, who really deserved it, to win the chocolate egg!

Well done Lukian, who was noticed by multiple other children and nominated for always looking out for others.

Enjoy the egg, Lukian!
